

## Digital Opportunities for Preschool Teachers through the Erasmus+ LIBERTEC Project

**Suceava, June 6, 2024** – Prichindel Kindergarten hosted a special event on June 6 as part of the Erasmus+ LIBERTEC project, dedicated to improving the digital skills of preschool educators and teachers. The project, conducted in partnership with Portugal, Spain, and Italy, focuses on updating the skills needed to meet modern requirements in pedagogical activities and management procedures for children aged 0 to 6 years.

The event was coordinated by Headteacher Dorina Dunăreanu and brought together early education experts from Suceava, who shared their knowledge and experiences related to the digitalization of preschool education. Among the special guests were Early Education Inspector Raileanu Daniela and Assistant Professor Dr. Ionuț Croitoru, whose presentations highlighted the importance of updating digital competencies for educators in this educational segment.

Speakers Gheata Paraschiva, Ilie Carmen, Burdujoc Roxana, and Costea Daniela presented various aspects of the LIBERTEC project, showcasing how new technologies can be integrated into educational activities to enhance the learning process and educational management.

The conference was held at Hotel Bucovina with 33 participants attending in person. It was also broadcast online, with 21 teachers following the event virtually, demonstrating a wide interest in the project's initiatives. The LIBERTEC project has organized multiple conferences and similar events in all partner countries, promoting a practical guide and the results achieved. These events have been essential in disseminating information and encouraging the implementation of new methods in various preschool education institutions.

### A Step Forward for Preschool Education

Through this initiative, preschool educators and teachers have the opportunity to update their digital competencies, essential in the technological era. This not only improves the quality of education offered to children but also prepares educators to respond more effectively to current and future challenges.

The event at Prichindel Kindergarten demonstrated the commitment of the educational community in Suceava to adopt and implement best practices in early childhood education, thus ensuring a solid start in life for our youngest ones.
